UDALL SHUMWAY is a full service law firm which provides professional representation and specialized expertise for a complete range of legal services. The firm was founded in 1965. Over the years, it has upheld a tradition of providing professional services to meet our clients' personal, family, business and corporate needs. We have enjoyed an AV Martindale Hubbell rating (the highest provided by that organization) for the quality of its legal services and its high ethical standards.

As a mid-size firm, UDALL SHUMWAY is large enough to offer a full complement of expertise and services, yet small enough to maintain personal contact with its clients. The attorneys are interested in the needs of each of their clients. Corporate clients receive ongoing legal services for all aspects of their business operations. Professional counsel is also provided for corporate transactions, business succession and estate tax planning, labor relations, organizational structuring and dispute resolution. The firm also handles matters for partnerships, franchises, sole proprietorships, as well as charitable organizations, educational institutions and other non-profit groups. Its clientele includes development and construction companies, manufacturers, insurance companies, financial institutions, governmental entities and professional organizations in the health, service and construction industries.

The firm also represents individuals in their personal legal needs. The individual clients include investors in business and property, tenants, landlords, all phases of family law disputes (custody and divorce), and family matters establishing marital agreements or preserving their assets through trusts and wills. UDALL SHUMWAY is proud of its tradition of diligently and competently servicing its clients. It looks forward to another 50 years of providing excellent legal services.
